Miss M. came to this country

has remained here ever
since. Her father was

naturalized some years ago,

I suppose that naturalized,
all his minor Children. —
She not being 21 yet, I
cannot get her naturalized,
and I hope it is not
absolutely necessary to do so,
to enable her to get a Passport.

If you will send me a pass-
-port for her, separate, I
will send affidavit & des-
-cription of person by next
mail. embodying the facts
above stated.

If you decline to send
one for her, please insert
in her father's "accompanied
by his daughter."

Respy Yours

Her father goes to Austria,
and she to Italy, hence the
reason for two passports.

My Dear Sir

I am very sorry to find that by an indorsement ^{on} my communication of the 30th ult. to your address, and returned to me, that it was construed as manifesting a want of "respect for the Department". Such was not my feeling or intention in any degree.

The first Passport applied for by me was misdirected, and laid in our P.O. some ten or twelve days before it was discovered that it was intended for me. The gentleman to whom it belonged became uneasy fearing that its non-reception was in consequence of some omission on my part applied to another Notary, who furnished it for him. The second was faulty in the spelling of the name, as well as this last. I thought it singular that there should be errors in three of the four, and I simply intended to state the case distinctly, and regret exceedingly that it should have been considered as manifesting a want of proper respect for the Department". I hope this explanation will be satisfactory, which I remain

Hon Lewis Cass

Secretary of State
Washington D.C.

Respected Sir Louis Detrick

On the 1st of this month
I sent a request for a Passport
to your Department for Mr L. Detrick
accompanying it with his Certificate
of Naturalisation, in which his name
was slightly different spelled, noting
this fact. The latter was returned to
me with the remark, that the Court must
correct its own errors.

As Mr Detrick intends to start
from here in about a week and since
there is no time to have said error
corrected by the Court of another Court
to and obtain the Passport and in
the time required - and more espe-
cially as the pronunciation of the in-
correctly spelled name is exactly the
same, as the German pronunciation

To the right Honorable Assistant Secretary
of State, Washington D. C.
O. R.

Having received the reply from your department concerning my request for a duplicate of passport (because the original having been stolen, together with my trunk and other papers) I am advised to apply to the Court where I was naturalized for a duplicate of certificate. But, imperious matters claiming my presence in Europe forthwith and being afraid that my application to the Circuit Court of St Clair Co Ill. may require too much delay; I hope that, in giving you the details as minutious as possible such may be considered as sufficient.

To obtain my first passport I applied personally to the Department at Washington, and obtained my passport upon the exhibition of a certificate delivered by the Circuit Court of St Clair, Ill. signed by Wm. S. Thomas, Clerk, dated October 8th, 1858.

My passport was dated Washington March 2nd 1860.
I do not precisely recollect the number of the passport but it was in the neighborhood of 13,357 or 13,735, I am not certain, moreover my name and

Signature, and also the certificate of naturalization
were filed at the Department.
My description ^(contained in the passport) was as follows:

Height	5 ft 10 inches
Hair	Brown
Eye Brows	"
Nose	Medium
Mouth	Large
Complexion	Fair
Particular Mark	—

I hope that these details may
be considered sufficient, I remain
respectfully

DEPARTMENT OF STATE,

WASHINGTON, August, 1857.

Citizens of the United States visiting foreign countries are liable to serious inconvenience, if unprovided with authentic proof of their national character. Their best safeguard is a passport from this Department, certifying the bearer to be a citizen of the United States. Passports are issued gratuitously upon application supported by proof of citizenship.

This proof need be transmitted but once. On all subsequent occasions, a simple reference to it, and to the period when it was presented, will be sufficient.

When the applicant is a *native citizen of the United States*, he must transmit an affidavit of this fact, signed by him, stating his age and place of birth, and sworn to by himself, and one other citizen of the United States named therein, to whom he is personally known, and to the best of whose knowledge and belief the declaration made by him is true. This affidavit must be attested by a Notary Public, under his signature and seal of office. When there is no Notary in the place, the affidavit may be made before a Justice of the Peace, or other officer authorized to administer oaths.

If the applicant be a *naturalized* citizen, his certificate of naturalization must be transmitted for inspection. It will be returned with the passport. The widow or the children of a naturalized citizen must transmit the certificate of the naturalization of the husband or the father, stating under oath that they are such widow or children.

The application should be accompanied by a description of the person, stating the following particulars, viz: Age: *36* years. Stature: *5* feet *7 (about)* inches (English measure.) Forehead: *high*. Eyes: *dark*. Nose: *—*. Mouth: *—*. Chin: *—*. Hair: *light brown*. Complexion: *fair*. Face: *thin & regular*.

When the applicant is to be accompanied by his wife, children, or servants, or by females under his protection, it will be sufficient to state the name and ages of such persons, and their relationship to the applicant.

Persons who leave the country, expecting to obtain passports, whilst abroad, from the Diplomatic or Consular agents of the United States, are liable to disappointment; inasmuch as it is the duty of those agents not to grant documents of that character, except to persons who are certainly known to be entitled to them, and it is sometimes difficult, if not impracticable, to procure proof of this fact in a

Certificates of naturalization or passports issued by State authorities, or by Judicial or Municipal functionaries of the United States, are not recognized by the officers of foreign governments; and by the twenty-third section of the act of Congress, approved on the 18th of August last, it is made penal for such authorities and functionaries to issue such passports.

Before a passport
can be sent,
in this case, it
will be necessary
to prove citizenship
by your making
affidavit as to
his ~~residence~~ Mr.
Hart's nativity and

Dear Sir! Wishing to visit
Europe you will oblige me by sending me
a Passport.

As there are many that
go there which are not free from military
duties and meet with annoyances, I have
thought best to state my case to you,
and respectfully ask your opinion.

I was born in the Kingdom of
Bavaria on the 28th of February 1823, and left
for America in the Spring of 1844.

Although 21 years old at that time, yet
I was called upon by the Government
to appear for conscription, and it was
only some 8 or 8 months after I arrived
here, when I learned that my father drew
for me such a number which requires
my services for military duties.

Under these circumstances am I safe
to go to Bavaria?

Very Respectfully

Sir,

I had the honor
on the 24th inst to enclose the proper
papers for a passport for Mr. Peter
Naylor Jr and felt quite sure I
should receive it by this morning's mail -
but did not -

Mr. Naylor has since
called upon me and states that many
days ago he applied through ^(or rather to) another
person to obtain it but his failure to do
so had caused him to make this application
through me - and now that person (I forget
his name) tells Mr N. that as he has
made two applications he will not get
any -

Mr Naylor feels very anx-
ious as he wishes to must sail this week
Friday or Saturday and he cannot

Understand this delay, as he has before
received one. (Some years ago I did not think
to ask date) upon which he traveled
through Europe -

I trust you will have the kindness
upon the receipt of this to immediately
forward the passport to my address
should it not have been issued before
this reaches you -

Please excuse this trouble
